

June 2009 Edition  
**THE-BROADCASTER**

Mayor Geoff Ablett was surrounded by the two mascots of the Pool, and Helen's grandchildren who were looking forward to going down on the water slide. Helen did next day on the free family day- her comments" it's certainly not for the faint hearted"!!!

Tommy Carter & Bryce Eishold, hosted the OB at the opening of the New Cranbourne Pool recently, meeting the team who will be helping all the Locals who will come to enjoy either the Gymnasium or Pool activities.

Our thanks to Adrian Morton who admirably paneled in the Studio for the OB giving up his Saturday morning

### **STUDIO CHATTER**

Henry & Deborah Grossek are hopefully by now enjoying their holiday destination in the UK. Unfortunately the on-route rest in Beijing planned was not as enjoyable as first thought. Due to a hoax phone call to the airport, they were stuck on board their aircraft for two hours whilst the entire plane was checked for Swine Flu, then again on the ground before boarding the next leg of their journey – who'd fly presently?

Helen did however enjoy her time in New Zealand recently. Craig wondering if she would come back with that accent!!.

Adrian Morton's wife has been unwell too lately, having had a spell in hospital – we trust she's making good progress now.

Jim Hines & Jamie have been battling the flu – sadly it's that time of year – so keep warm guys.

### **OUTSIDE BROADCASTS.**

It's always difficult to get "volunteers" to assist for these when they occur. Hopefully when you're asked, in advance of the event you will help out.

Craig and Jim always like to share this task amongst everyone, so please give it a go - they can be loads of fun too – thanks.

### **UNAVAILABLE TO DO YOU'RE SHOW.**

From time to time things crop up that prevent attendances. Naturally when this occurs it is each Presenters responsibility to inform Craig or another Station person immediately so as others can be found to cover your program.

Also if known in advance of any unavailability again let Helen, Jim or Craig know so other arrangements can be made.

George Ljepojevic did just that on Sunday 20/6 due to no VFL Broadcast. George did his first show "Kabbalah Mysticism"
